

No Hardware Costs

Eliminate the hassle and expense of owning and operating your own phone system. Our sophisticated desk phones feature digital presence indicators, HD audio, color LCD display, dual gigabit ports, integrated POE—and this device comes included for all users. Plus, our phones are fully warranted and upgraded every 36 months at no charge.

Intuitive Mobile and Desktop Apps

Easily extend the simplicity of Cytracom with our intuitive, integrated mobile and desktop apps. The apps work seamlessly to deliver a familiar and friendly communications experience with no training or configuration required.

Shared Inbox / Business Messaging

Need to do more than talk? Cytracom offers business messaging services with team messaging tools plus SMS capabilities for external stakeholders. From the Cytracom mobile and desktop apps, use your dedicated business number to send messages to anyone, create dedicated rooms or group chats for ongoing conversations, and share files, pictures and PDFs.

Why choose this platform?

With a reliable platform built on flexible, cloud-based technology, Cytracom delivers fully managed, enterprise-grade VoIP tailored to small business needs.
